

2024 PINOT NOIR UNFILTERED ***

Single vineyard / single variety dry white wine ♦

The Hungarian winery Villa Tolnay is located on the beautiful north shore of the Lake Balaton, at the foot of the volcanic Csobanc Mountain, in the middle of the northern Lake Balaton nature reserve. The winery was founded in 2004 and owns today 25 hectares of vineyards.

Since the beginning of the work at the winery, it has been about breaking with the traditional local wine tradition and making wines that tell a story; the history of the Pannonian region and in particular the history of the unique volcanic landscape around the winery. The wines see themselves as a narrative of the new Pannonian wine tradition.

Especially in the hilly north-west coast of Lake Balaton, in the magnificent volcanic landscape, very expressive wines with an unmistakable terroir-character grow on the basalt and sediments of the former Pannonian Sea.
